

## GBS Glass Breaker

From *Recycling Equipment Manufacturing, Inc.*

### A COMPACT GLASS BREAKER IN A SIMPLE LOW COST DESIGN

REM's® Model GBS is the ideal hand-fed glass breaker for small recycling and business applications. Built tough for years of operation using the same time-proven design of REM's® large Glass Breakers units. The GBS series requires minimal maintenance with a reputation in the recycling industry as a “glass crusher built to last.”

#### **DURABLE DESIGN**

REM's® GBS series is a highly efficient machine incorporating many standard features that are only options of other manufacturers. To operate, simply feed glass containers into the chute opening which feeds the crusher unit. The rotating steel crushing drum and breaker-plate design produces a uniform cullet size acceptable to the recycling industry.

#### **INCREASE YOUR PRODUCTIVITY**

Let our GBS series Glass Breaker help maximize your glass shipping weights and still be economical to operate. REM® makes the GBS series affordable and dependable by utilizing many of the same components within the REM® family of recycling equipment. To put our model GB series glass breaker to work for you, call **1-800-745-4736**.

# GB Series Glass Breakers

A Leader in Recycling Equipment Since 1978

## Features:

- Adjustable stand for use with containers up to 54" wide and 54" high
- Crushes up to 2 tons per hour
- Adjustable cullet size and density
- 4" steel casters for mobility

## Specifications:

- All-steel construction
- Hardened-steel cleats in crushing drum
- 1 HP motor 110 volt, 20 amp
- Large industrial bearings
- 12' power cord with 110 volt unit only

## Electrical:

- Electrical components are UL listed
- NEMA-3R (outdoor) enclosure
- Manual start switches with thermal overload/short circuit protection

Dimensions:	GBS
Height (A)	72" (MAX.)
Length (B)	64"
Width (C)	34"
Weight approx. (lbs.)	275
Distance between legs	54"

## Options:

- 240 volt, single phase
- 208, 240, 380, 415, 480, or 575 volt, three phase
- Larger capacity units modeled after REM GB-1 or GB-2 crusher units
- If you don't see it, ask us!

## LIMITED ONE YEAR WARRANTY

\*All dimensions are nominal +/- 1"

\*Specifications subject to change without notice, without incurring responsibility to previous units sold
